FOURTH ORDER OF BUSINESS

**Consideration of Agreement with
DiBartolomeo, McBee, Hartley & Barnes,
P.A. to Provide Auditing Services for the
Fiscal Year 2024**

Mr. Flint: You selected DiBartolomeo as your independent auditor. You enter into annual engagement agreements with them. If there are any questions, we can discuss, otherwise I will ask for a motion to approve.

On MOTION by Mr. Morgan, seconded by Mr. Kewley with all in favor, the Agreement with DiBartolomeo, McBee, Hartley & Barnes, P.A. to Provide Auditing Services for the Fiscal Year 2024, was approved.

FIFTH ORDER OF BUSINESS

**Consideration of Landscape Maintenance
Agreement with United Land Services**

Mr. Flint: The current agreement expires on September 30th. Alan, do you want to present this?

Mr. Scheerer: Sure, included in your agenda is a new agreement with United land. It will cover Phases 1A and 1b, which we are getting ready to turn over next week, as it's our first meeting. I think Tuesday, Karly, is that correct?

Ms. Chambers: Correct.

Mr. Kewley: When you say, "turn over," what do you mean?

Mr. Scheerer: We are going to land; we are going to do a walk. We are going to inspect everything, make sure it's done. There were some things I spotted on Friday, when I was out there.

Mr. Kewley: What are we turning over in 1A and 1B?

Mr. Scheerer: Well, 1A is done. It just covers 1B.

Mr. Kewley: 1B is what we are really turning over?

Mr. Scheerer: Yes, sorry for the confusion on my part. Basically, it is all of the improvements in 1B that are completed.

Mr. Kewley: And they are completed? The dog park?

Ms. Chambers: I think there is just going to be a couple touch ups, due to the age of the dog park's fencing. Other than that, everything is complete.

Mr. Scheerer: Landscape is in.

Mr. Kewley: Alright, and I will repeat this at every Board meeting, as you are setting up for walks and turn overs and even when you are out there, drainage is the biggest thing that we

don't always get right. When you are looking at a turnover, that is the thing to be most focused on, drainage, and anything that is of concern. Especially if it is something before sod has gone down or is not yet complete. It is not just parks and the common areas; it is runoff from homes that the water sheds towards the common areas and doesn't have a great place to go. When the civil engineer designs all of these common area sites at the beginning, there is little to no drainage on these plans. They are just a palate of flat land that maybe a couple contours and one arrow pointing water in one direction. The landscape architect is then supposed to put the design in and then put detailed drainage, give that back to the civil engineer and then give it back to the civil contractor to build it. It is process that has multiple steps and if any of those steps get missed along the way, it translates into a bad drainage plan. I just want us to be super focused on paying attention to that before sod goes down but particularly at walk throughs. If you see anything wrong, I want to know about it. You all are going to be walking when?

Mr. Scheerer: Tuesday of next week.

Mr. Kewley: Okay, Tuesday next week.

Mr. Scheerer: There was some things that I spotted when I was on the phone with Karly about some things that we are missing. Mostly wrinkling in the fencing, and a couple of support posts that were missing. Mostly things that can be taken care of relatively quickly.

Mr. Kewley: Will this include that common space, going over to the east side where it connects to the park?

Ms. Chambers: Yeah, it is going to include the two dog parks, the B shaped area, and then there is another pocket park.

Mr. Kewley: Well, the regional park, to the east.

Mr. Bonin: Over there by the split oak.

Ms. Chambers: It includes the pocket part, but I don't think it includes anything further.

Mr. Kewley: So, what is happening, there is a track over there with the trail that goes to the fence. Is that going to be a part of what we are going to be turning over?

Mr. Register: Yeah, there is a 15-foot bumper tract all along that side if I remember right.

Mr. Kewley: I don't know if that's done, but in my mind that is a 1B common area that would be included in this. I don't know if that's done. That's the trail, sod, is it graded and draining properly? That is just something to make sure of.

Mr. Scheerer: Alright, everything we do, we will do a side audit pro on, so I will have a pdf copy of it. We will have anything that is not right on it. Like I said, I haven't seen your drainage issues, because that park has been vacant for a long time, especially the big, large pocket park and the dog parks. I haven't seen any problems. I have been out there every week while you guys have been doing work on that. But I have not seen anything that will be documented.

Mr. Kewley: Alright, I just get nervous when sod goes down on these parks, because I always like, is it draining? Is it crowned properly? Is there a low spot? Do we have drainage pipes where we need it? Does it shed? Just pay extra close attention to those.

Mr. Sheerer: We will. Normally at these areas, they come online in the future are identified independently within the narrative of the budget. Because we know 1B is coming online, we went ahead and asked them to combine 1A and 1B. We still have 2C and Springhead South that are itemized separately in your budget for 2025. The numbers in here match what we have; they have not changed their pricing on anything, as far as 1A and 1B. We are just looking for a motion to approve so we have an agreement for 2025.

Mr. Kewley: And we have all reuse and electric meters set up to your knowledge?

Mr. Sheerer: As best as we could. Unless there was something in there that wasn't on the plan that we are not aware of. I think we have everything covered in the 2025 budget.

Ms. Chambers: They have most of the backup except one.

Mr. Flint: Is this the one they wanted to charge \$40,000 to transfer the agreement?

Mr. Sheerer: Yeah, it was a little crazy.

Mr. Flint: They went back and recanted it, but initially they were going to charge a \$40,000 transfer fee on the street light lease.

Mr. Scheerer: They were in Lennar's name, and it would have been a termination fee is what they were saying.

Mr. Morgan: We are not terminating it; we are transferring it.

Mr. Scheerer: That's what we told them! That's alright, we had the same problem here.

Mr. Flint: Any questions on the proposed agreement? This is a proposal format so we will need Counsel to prepare a front-end agreement on this.

Mr. Morgan: Make a motion to approve.

On MOTION by Mr. Morgan, seconded by Mr. Bonin, with all in favor, the Landscaping Agreement with United Land Services, was approved.

SIXTH ORDER OF BUSINESS**Staff Reports****A. Attorney**

Ms. Trucco: Since the last Board meeting, we have received a signed certificate back from Broc for the remaining tracts for Phases 1A and 2B plats, we should be ready to record the deed for those tracts. We will get those done this week. Another update is, we are working on the expansion petition for this CDD, we are still in need of one exhibit, Exhibit 6, which is the future general distribution of public and private uses. It is consistent with land development code. I am going to continue to follow up with the District Engineer for that so we can get the expansion petition done. We also need the confirmation of costs as well so the District Manager can work on that. We will continue following up but that is basically where we are at. It is still on the radar and we are still waiting to file that.

Mr. Flint: Broc, are you on?

Mr. Althafer: Yeah, I'm hopeful we will have everything over to her this week. We will work closely with counsel to make sure she gets what she needs.

Ms. Trucco: That is all I have, unless you have any questions for me.

B. Engineer**i. Discussion of Pending Plat Conveyance****ii. Status of Permit Transfers**

Mr. Flint: Engineer, Broc anything for the Board?

Mr. Althafer: Yes. I would like to give some updates on the Phase 2C development. Since our last meeting we got sanitary sewer clearance of the entire system. I have received the majority of the as builts for the utilities, but I am still waiting for somethings on water reuse and sanitary to be able to confirm that all of the improvements are installed the way they need to be and for me to be able to submit records to the water authority. I don't have a firm date on when I am supposed to receive those, but I am hopeful I will get those in the next few days.

Mr. Flint: Alight, any questions for District Engineer?

Mr. Register: Any reason we can't prepare and circulate the reimbursement request for the balance of the construction fund? It is \$2.8 million, if we got water and sewer clearance, we should

be able to at least circulate that. If there is anything standing in front of your certifications, we need to at least circulate it for approval from the rest of the District staff.

Mr. Althafer: I have only received bills from the utility portions to date, meaning I can only confirm quantities on those. I can start to put together the reimbursements for those. I haven't received them for stormwater systems yet or anything else.

Mr. Register: 2.8 should get us through water reclaim and sanitary, I would imagine but I could be off.

Mr. Althafer: Okay, I will work on getting that to you.

C. District Manager's Report

i. Approval of Check Register

Mr. Flint: We have the check register from August 1st through August 31st for the General Fund and the Board compensation for \$19,215.88. Any questions on the invoices or checks?

Mr. Morgan: Yeah, Alan, under Florida United, it says 3-inch gate valve for Toho?

Mr. Scheerer: It is not for Toho; it is our gate valve. We talked about it a couple months ago, about the irrigation problems. We thought it was on the Toho side, it was actually a 3-inch gate valve on our side. They had to dig this whole thing up. It was almost underneath a driveway to Toho. I am thinking they just identified it as that, but it wasn't there's.

Mr. Morgan: That's why it was so expensive?

Mr. Scheerer: Yeah, they had to dig out underneath a driveway and relocate it out from under the driveway.

Mr. Morgan: That's all I have. Make a motion to approve.

On MOTION by Mr. Morgan, seconded by Mr. Bonin, with all in favor, the Check Register, was approved.

ii. Balance Sheet and Income Statement

Mr. Flint: You have the unaudited financials through August 31, 2024. No action is required. Any questions on the financials?

Mr. Morgan: We just need to get that \$2.8 million as soon as possible.

D. Field Manager's Report

Mr. Flint: Field Manager's report?

Mr. Scheerer: Yes, not a lot to report. We continue to meet with ULS. I was there on Friday with David, our account manager and the irrigation manager. We did a complete site inspection. Depending on when this Board meets next, we will be gearing up for some of the holiday activities. We will be pressure cleaning and stuff that we normally do outside of landscaping. We are keeping an eye on the stormwater connection that Junior Davis is doing to make sure that is going okay. I am meeting with Karly next Tuesday to do the initial turnover.

SEVENTH ORDER OF BUSINESS**Other Business**

There being no comments, the next item followed.

EIGHTH ORDER OF BUSINESS**Supervisor's Requests**

There being no comments, the next item followed.

NINTH ORDER OF BUSINESS**Adjournment**

Mr. Morgan: I make a motion to adjourn.

On MOTION by Mr. Morgan, seconded by Mr. Bonin, with all in favor, the meeting was adjourned.

OUC shall annually deliver notice to the CUSTOMER of any such changes to the Lighting Service rates.

SECTION 3: EASEMENTS AND ACCESS

In addition, CUSTOMER hereby grants, transfers and conveys to OUC, an easement over the Property for the purpose of installing, operating, replacing and maintaining the Lighting Equipment as required under this Agreement.

SECTION 4: THE PARTIES MUTUALLY AGREE:

- 4.1 OUC, while exercising reasonable diligence at all times to furnish Lighting Service hereunder, does not guarantee continuous lighting and will not be liable for any damages for any interruption, deficiency or failure of electric service, and reserves the right to interrupt electric service at any time for necessary repairs to lines or equipment. Further, the parties acknowledge that malfunctions (including burned out bulbs) and acts beyond OUC's

reasonable control do occur from time to time, which may result in the failure of illumination of said lights and/ or Lighting Equipment provided hereunder. Although OUC performs routine maintenance and periodic inspections of said Lighting Equipment installed hereunder, it is the responsibility of the CUSTOMER to promptly notify OUC of any inoperative or malfunctioning lights or Lighting Equipment, regardless of whether such condition or malfunction was discovered or should have been discovered by OUC during the performance of such maintenance or inspection. Subject to such notification and its compliance with the provisions of Florida Statutes § 768.1382(2) & (3) (2007), as may be amended from time to time, OUC is not liable and may not be held liable for any civil damages for personal injury, wrongful death, or property damage affected or caused by the malfunction or failure of illumination of such lights or Lighting Services provided hereunder, regardless of whether the malfunction or failure of illumination is alleged or demonstrated to have contributed in any manner to the personal injury, wrongful death, or property damage.

- 4.2 OUC installation of Lighting Equipment shall be made only when, in the judgment of OUC, the location and the type of the Lighting Equipment are, and will continue to be, easily and economically accessible to OUC equipment and personnel for both construction and maintenance. OUC shall not be in default for its failure to perform its obligations under this Agreement to the extent resulting from a Force Majeure Event. OUC shall be entitled to an extension of time for the performance of Lighting Service sufficient to overcome the effects of any such Force Majeure Event.
- 4.3 Except as specifically permitted under subsection 4.6 below, modification of the Lighting Equipment provided by OUC under this Agreement may only be made through the execution of an additional Agreement between OUC and CUSTOMER or by written amendment to this Agreement, delineating the modifications to be accomplished and (if applicable) setting out any adjustments to the terms and conditions necessitated by the modification. Notwithstanding anything to the contrary contained herein, CUSTOMER shall not possess or have any direction or control over the physical operation of the Lighting Equipment and the possession of the Lighting Equipment and the direction and control of the physical operation of Lighting Equipment shall be vested exclusively with OUC.
- 4.4 OUC shall, at the request of the CUSTOMER, relocate the Lighting Equipment if provided sufficient rights-of-way or easements to do so and the requested relocation does not negatively affect the ability of OUC to provide Lighting Service. The CUSTOMER shall be responsible for the payment of all costs associated with any such CUSTOMER requested relocation of OUC Lighting Equipment.
- 4.5 OUC may, at any time and without the need for CUSTOMER's permission, substitute any luminaire/lamp installed hereunder with another luminaire/lamp which shall be of at least equal illuminating capacity and efficiency.
- 4.6 OUC shall retain all title right and ownership interest in the Lighting Equipment and shall be responsible to repair or replace (and assumes all risk of loss) for any damage to any Lighting Equipment provided pursuant to

this Agreement; provided, however that notwithstanding the foregoing, OUC shall not be responsible for and the CUSTOMER agrees to take responsibility for, the cost incurred to repair or replace any Lighting Equipment that has been damaged by CUSTOMER, its employees, agents, invitees or licensees or any other third party in which case OUC shall not be required to make such repair or replacement prior to payment by the CUSTOMER for damage. Responsibility to repair or replace damage to any CUSTOMER installed Lighting Equipment transfers to OUC upon inspection and acceptance of the fully installed and energized Lighting Equipment by OUC's Lighting Inspector.

- 4.7 Should the CUSTOMER fail to pay any bills due and rendered pursuant to this Agreement or otherwise fail to perform its obligations contained in this Agreement, said obligations being material and going to the essence of this Agreement, OUC may cease to supply the Lighting Service until the CUSTOMER has paid the bills due and rendered or has fully cured such other breach of this Agreement. Any failure of OUC to exercise its rights hereunder shall not be deemed a waiver of such rights. It is understood, however, that such discontinuance of the supplying of the Lighting Service shall not constitute a breach of this Agreement by OUC, nor shall it relieve the CUSTOMER of the obligation to perform any of the terms and conditions of this Agreement.
- 4.8 CUSTOMER shall be entitled to assign its rights under this Agreement to the CUSTOMER's successor in title to the Property upon which the Lighting Equipment are installed with the written consent of OUC, which shall not be unreasonably withheld. No assignment shall relieve the CUSTOMER from its obligations hereunder until such obligations have been assumed by the Purchaser in writing and agreed to by OUC.
- 4.9 This Agreement supersedes all previous Agreements or representations, either written, oral or otherwise between the CUSTOMER and OUC, with respect to the Lighting Service referenced herein and along with OUC's electric service tariffs, constitutes the entire Agreement between the parties. This Agreement does not create any rights or provide any remedies to third parties or create any additional duty, obligation or undertakings by OUC to third parties.
- 4.10 CUSTOMER recognizes and agrees that it is ultimately responsible for the payment of all sales, municipal, use, excise, gross receipts and other taxes that may apply to, or be imposed upon, the transaction that is the subject of this Agreement, if any, irrespective of when such taxes may be charged or assessed against OUC. Any non-collection or non-assessment of such taxes by OUC contemporaneously with the occurrence of the transaction shall not waive, release or diminish CUSTOMER's ultimate responsibility for the payment thereof, irrespective of whether such taxes are later charged or assessed by OUC or the applicable taxing authority(ies).
- 4.11 This Agreement shall inure to the benefit of, and be binding upon the successors and permitted assigns of the CUSTOMER and OUC.
- 4.12 OUC will exercise reasonable efforts to furnish Lighting Service hereunder in a manner which will allow continuous operation of the Lighting Equipment,

but OUC does not warrant the continuous operation of the Lighting Equipment and shall not be liable for any damages for any interruption, deficiency or failure of Lighting Equipment. Notwithstanding any other provision of this Agreement, in no event shall OUC have any liability to CUSTOMER under this Agreement, whether based in contract, in tort (including negligence and strict liability) or otherwise, for: (a) any special, incidental, indirect, exemplary or consequential damages; (b) damages with respect to costs of capital, costs of replacement power, loss of profits or revenues, or loss of use of plant or equipment, irrespective of whether such damages may be categorized as direct, special, consequential, incidental, indirect, exemplary or otherwise.

- 4.13 CUSTOMER shall locate and advise OUC, its agents, employees, servants or subcontractors, through the provision of an accurate map and other necessary written descriptions, of the exact location of all underground facilities, including, but not limited to: sewage pipes, septic tanks, walls, swimming pools, sprinkler systems, conduits, cables, valves, lines, fuel storage tanks, and storm drainage systems ("Underground Facilities") at the installation site at least two (2) days prior to the commencement of any work by OUC at the installation site. Any and all cost or liability for damage to Underground Facilities by OUC that were not properly identified by the CUSTOMER, as described under this paragraph, shall be paid by the CUSTOMER. Except for those claims, losses and damages arising out of OUC's sole negligence, the CUSTOMER agrees to defend, at its own expense and indemnify OUC, its respective commissioner, officers, agents, employees, servants, contractors for any and all claims, losses and damages, including attorney's fees and costs, which arise or are alleged to have arisen out of furnishing, design, installation, operation, maintenance or removal of the Lighting Equipment.

SECTION 5: TERM, EFFECTIVE DATE, INSTALLATION DATE, AMENDMENT, TERMINATION AND BILLING

- 5.1 The initial term of this Agreement (the "Term") shall be for twenty 20 years. The initial term shall begin upon the due date of the first monthly invoice (bill) delivered to CUSTOMER for installed lighting or the capital investment portion of the Monthly Lighting Service Charge as set forth in section 5.3 herein below, whichever occurs first, and shall terminate at the end of two hundred and forty (240) consecutive Billing Cycles thereafter, unless extended or otherwise modified pursuant to the provisions herein. In the event that a phased installation of Lighting Equipment is to be provided by OUC by means of the Phase Installation Plan described in Exhibit 1, each development phase completed shall have its own Term (which shall commence and terminate as set forth above in this paragraph) and Installation Date under this Agreement.
- 5.2 The effective date of this Agreement shall be the date of execution by the CUSTOMER or OUC, whichever is later.
- 5.3 If OUC is ready and able to begin installation of the Lighting Equipment on the Installation Date, and the CUSTOMER is not ready and able to accept installation of the Lighting Equipment, OUC shall bill CUSTOMER monthly for the capital investment portion of the Monthly Lighting Service Charge,

until such time as the CUSTOMER is able to commence accepting installation as set forth herein. CUSTOMER may change the Installation Date by providing OUC written notice of the new Installation Date no later than one hundred (100) days prior to the original Installation Date; however, in no event shall the new Installation Date exceed six (6) months from the original Installation Date. Provided that written notice is received by OUC at least 100 days prior to the original installation date, CUSTOMER shall not be responsible for paying the monthly bill for the capital investment portion of the Lighting Service Charge. Notwithstanding any of the foregoing, the CUSTOMER shall be liable for paying the monthly bill for the capital investment portion of the Monthly Lighting Service Charge if CUSTOMER is not ready and able to accept installation of the Lighting Equipment on the new Installation Date or the date ending six (6) months after the original Installation Date, whichever occurs first. OUC reserves the right to adjust pricing when CUSTOMER changes the original Installation Date.

- 5.4 This Agreement may only be amended in writing and such amendment must be executed with the same degree of formality as this Agreement. Notwithstanding the foregoing, the annual adjustment to rates as set forth in Exhibit 1 shall not require an amendment to this Agreement provided such annual rate adjustment does not exceed three percent (3%) over the prior year's rate.
- 5.5 The CUSTOMER may opt to terminate the Agreement at the end of the initial or subsequent Terms by providing to OUC at least sixty (60) days advance written notice. In the event that CUSTOMER terminates this agreement before the end of the initial or subsequent Terms, CUSTOMER shall be liable to OUC for the capital investment portion of the Monthly Lighting Service Charge set forth in Exhibit 1 for the remainder of the Term and all direct and consequential damages incurred by OUC as a result of such early termination, including the cost incurred by OUC to remove the Lighting Equipment. In addition to the foregoing, OUC shall have the right to pursue all other remedies or damages available at law or in equity. OUC may terminate this Agreement if at any time during the Term a final court decision is issued, an Internal Revenue Service ruling is issued, or a change in the applicable statutes or regulations occurs, any of which in the reasonable opinion of OUC's general counsel, results in the continued existence of this Agreement having a material adverse effect on OUC's ability to issue tax exempt bonds. Any such termination shall be made by 30 days' prior written notice from OUC to CUSTOMER. The CUSTOMER will be responsible for the cost incurred by OUC to remove the Lighting Equipment. OUC shall issue a bill to the CUSTOMER for removal costs once removal has been completed.
- 5.6 Billing shall commence upon the energization of the first lights or as set forth in section 5.3 above.

SECTION 6: MISCELLANEOUS

- 6.1 Governing Law: The validity, construction, and performance of this agreement, shall be in accordance with the laws of the State of Florida without application of its choice-of-law rules.

- 6.2 Severability: If any provision of this Agreement shall be held void, voidable, invalid or inoperative, no other provision of this Agreement shall be affected as a result thereof, and accordingly, the remaining provisions of this Agreement shall remain in full force and effect as though such void, voidable, invalid or inoperative provision had not been contained herein.
- 6.3 Notices: All notices permitted or required to be given under this Agreement shall be in writing and shall be deemed given and received: (a) five (5) days after such notice has been deposited in the United States Mail, certified, return receipt requested, with proper postage affixed thereto if the recipient is also provided a facsimile transmittal on the same date as mailed, otherwise, when the recipient receives the U.S. Mail transmittal, (b) one (1) Business day after such notice has been deposited with Federal Express, Express Mail, or other expedited mail or package delivery service guaranteeing delivery no later than the next Business Day, or (c) upon hand delivery to the appropriate address and person as herein provided if a receipt evidencing delivery has been retained. "Electronic mail" shall not be considered a "writing" for purposes hereof. All notices shall be delivered or sent to the Parties at their respective address(es) or number(s) shown below or to such other address(es) or number(s) as a Party may designate by prior written notice given in accordance with this provision to the other Party:

- 6.5 Time Is Of The Essence: Time is hereby declared of the essence as to all time periods set forth in this Agreement.
- 6.6 Waiver: The failure of a party to insist on strict performance of any provision under this Agreement, or to take advantage of any right hereunder shall not be construed as a waiver of future violations of such provision or right. Any waiver at any time by any party hereto of its rights with respect to the other party, or with respect to any matter arising in connection with this Agreement

shall not be considered a waiver of any such rights or matters at any subsequent time.

- 6.7 OUC may allow, upon request, the installation of a camera on its poles under the following circumstances:

The Customer shall be responsible for acquiring, installing and maintaining all the Banner Arms. The Customer shall be responsible to repair or replace (and assumes all risk of loss) for any damage to any Banner Arms. Notwithstanding anything herein to the contrary, in the event the Lighting Facilities are damaged by the Banners or the Banner Arms the Customer shall be liable to OUC for said damage. OUC shall not be liable for any permits, fees or liabilities (of whatever kind or nature) related to the Banner Arms or the Banners placed thereon, including but not limited to the content of Banners. Notwithstanding anything herein to the contrary, the parties agree that OUC shall not be liable for any claim, demand, liability, judgment, action or right of action, of whatever kind or nature, either in law or equity, arising from or by reason of any type of liability including but not limited to contractual liability, bodily injury or personal injuries, death, or occurrence due to placement of the Banners and/or the Banner Arms on the Lighting Facilities. Customer shall to the maximum extent permitted by law defend, indemnify, and hold harmless OUC, its officers, directors, and employees from and against all claims, damages, losses, and expenses, (including but not limited to fees and charges of attorneys or other professionals and court and arbitration or other dispute resolution costs) arising out of or resulting from injury or death of third parties (including OUC employees and agents), or damage to property caused by placement of Banners and the Banner Arms by the Customer on the Lighting Facilities.
